College Scholarships Available for High School Juniors & Seniors

- Are you a student leader at your school?
- Are you strengthening relationships between older adults and high school students in your town/city?
- We want YOU to apply for an OMEGA scholarship!

Together, The MIT AgeLab, The New England University Transportation Center, and AARP, are proud to offer **three $1000** college scholarships to recognize and reward the efforts that young adults are making to create multigenerational connections. High school juniors and seniors living in New England are eligible to apply.

Applications are due March 31, 2017.
